

Invitation to the

Friedenskreis
Wochenende // weekend 2017

FREIRÄUME _ schaffen, gestalten, nutzen
// **creating, shaping, using_OPEN SPACES**

20.-22.10.2017
Villa Jühling, Halle

We heartily invite you to our joint weekend from, for and with Friedenskreis Halle e.V. (FK)
The large variety of ideas, expectations and wishes of participants for the Friedenskreis weekend is defined.

In other words: Create your dream FK-weekend by yourself!

We offer you the framework (accommodation and meals, places of stay, moderation, child care and translation) - and you fill the OPEN SPACE with your ideas, offers and wishes

You always wanted to try ... with a group?	Your contribution!	You would like to share or conserve songs or stories for children?	You would like to discuss with ... about a specific topic?
You would like to know the newest method or always wanted to know about ... ?	to the joint weekend		You would like to learn juggling? Or knitting? Or...? Or to teach somebody how to do it?
You would like to consider structures of Friedenskreis or other structures?		You would like to come in contact with volunteers? Or the office team? Or...?	You would like to drink coffee/beer/Kiba (cherry and banana juice) with the board staff?

All this will/can take place. Through one and half days there will be time/space where you can take advantage of various offers or carry out your own activities. You decide by yourself how much you participate and contribute.

Your own wishes, suggestions and offers can already be specified with your registration for the weekend or be announced on the first evening of the FK weekend.

If you have any special material requirements for your offer or if you need printouts for all participants, please contact Franziska Blath (franziska.blath@friedenskreis-halle.de)

The setting:

- from Friday, 20.10.2017, arrival from 4 pm - beginning from 5 pm till Sunday 22.10.2017 after lunch
- in the Villa Jühling at the edge of Halle (Sammelweisstraße 6, 06120 Halle/Dölau)
 - ✂ Arrival: S-Bahn station Nietleben / tram to Schwimmhalle (Neustadt), then bus 21 or 41 to the stop Heidebahnhof
 - ✂ or joint bike ride starting Friday at 3:30 pm from Friedenskreis Halle/Reformhaus
- During the weekend vegetarian food will be offered.
- Everyone who feels connected to Friedenskreis can participate. The board, office team members as well as all current FK volunteers in Halle and all newly returned volunteers from 2016/2017 are also involved.
- Moderation for joint activities and organizing the work-frame (in German and English).
- There are many participants this year with another first language than German. Therefore, please offer also contributions in English, Serbo-Croatian/ Bosnian or NONVERBAL.
- There will be childcare as well. A trainer offers a content program for the children. There will be also a second person who take care of activities for younger kids and those who are not interested in the program.
- We ask for a solidarity contribution payment. We don't want someone could not participate because of financial reasons. That's the reason for our decision to offer solidarity payment model. The reference pricing is 40€ for adults, 10€ for children aged 3 years on. The FK-weekend would be viable if all participants pay this amount. Those who haven't the money pay less. People who can and would like to pay more could help out for others to participate at the weekend.
 - ✂ Also travel costs should not be an obstacle to participate in FK weekend. Please contact us if you can not bear the costs.

A few days before the weekend we will send up-to-date information about FK-weekend including all previously received offers.

Please write back to Rilana (rilana.ruediger@friedenskreis-halle.de) **until October 12th** and send your confirmation with the following information:

- Name+E-mail address and/ or telephone number?
- How many people (adults/ children+age)?
- Would you like to offer an contribution? If yes, please describe briefly (including required timeframe and possibly special material).
- Do you have wishes for contents that perhaps other participants can offer?
- Any other comments / special needs, etc.?
